

GOVERNMENT OF GRENADA

SAUTEURS COASTAL PROTECTION PROJECT

CONSULTANCY SERVICES FOR THE MONITORING & EVALUATION SPECIALIST

REQUEST FOR EXPRESSIONS OF INTEREST

The Government of Grenada (GOGR) has applied for financing from the Caribbean Development Bank (CDB) in an amount equivalent to US\$ 15,003,000 towards the cost of the Sauteurs Coastal Protection Project and intends to apply a portion of the proceeds of this financing to eligible payments under a contract for which this invitation is issued. Payments by CDB will be made only at the request of GOGR and upon approval by CDB, and will be subject in all respects to the terms and conditions of the Financing Agreement. The Financing Agreement prohibits withdrawal from the financing account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of CDB, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than GOGR shall derive any rights from the Financing Agreement or have any claim to the proceeds of the Financing.

The Ministry of Infrastructure, Public Utilities, Civil Aviation and Transportation, the Executing Agency, now wishes to procure consultancy services for the Monitoring and Evaluation Specialist of the project.

The objectives of the consultancy are to: (a) prepare the Monitoring and Evaluation Framework and update the Implementation Plan for the Sauteurs Coastal Protection Project to assess the progress of project outputs and outcomes; (b) design an evaluation strategy to assess the project's contribution to socially inclusive sustainable economic development, the (intended and unintended) impacts on project-affected persons, and the results of the project; and (c) conduct a final evaluation. The detailed Terms of Reference (TOR) for the assignment are available upon request by contacting the first email address below or can be downloaded as an attachment from the notice published on CDB's website.

The duration of the assignment is expected to be for a period of 26 months.

The Executing Agency now invites interested eligible individual consultants to submit Expressions of Interest indicating qualifications and experience required to provide these consultancy services.

Consultants shall be eligible to participate if:

- (a) the persons are citizens or *bona fide* residents of an eligible country; and
- (b) in all cases, the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or *bona fide* resident of an eligible country.

Eligible countries are member countries of CDB. Consultants are advised to review the detailed eligibility criteria detailed in Section 4 and conflict of interest provisions in Section 5 of the Procurement Procedures for Projects Financed by CDB (January 2021), as published on CDB's website.

Further details on this assignment, as well as the required credentials of the consultant, are described in the Terms of Reference (TOR), which can be found GOCR's procurement website at www.procurement.gd. In the assessment of submissions, consideration will be given to qualifications and experience on similar assignments.

The Expressions of Interest must be **electronically** submitted to the **second** email address below no later than 1400 hours [2pm] local time (Grenada) on Friday 4th April 2025 and copied simultaneously to CDB at the **third** email address below.
